

13 September 2016

Dear Parents / Caregivers

Please take note of the important reminders below:

1) Paid Union Meetings for Staff

- this Friday 16th September 2016 12.30pm finish

We invite parents, who are able to, to collect their children at 12.30pm so all staff can attend. A skeleton staff will be remaining here at school for those children who cannot be collected. **No children will be allowed to bike or walk home at 12.30pm unless you have notified the school.**

2) Correct Uniform

All students are required to have correct uniform including footwear by the start of Term 4. Footwear must be:

- Black leather look shoes (all black)
- Sandals (one strap only, all black)
- Black lace up canvas shoes (all black)

(No slip-on canvas shoes or no high tops please)

3) Labour Weekend Holiday Dates

– Friday 21st & Monday 24th October 2016

The school will not be open on Friday 21st October, which is the Friday of Labour Weekend.

Most schools in our area are finishing earlier in the last week of the school year, however, we will be working until Friday 16th December this year. In the last week of school students will be taking part in our outdoor education programme (Years 3-8) with Years 1 and 2 involved in school activities.

Please remember to write this date on your calendar so you can escape for an extra-long labour weekend or have a fun day at home with your children.

Yours sincerely

Raj Dullabh
DEPUTY PRINCIPAL
